\$ Supervise the sale of tickets and file a financial report following the contest

\$ Assist with home athletic contest, spectators, crowd control, injuries, and game responsibilities.

Duties of the Head Coach

Safety of the athletes is the primary responsibility of the Head Coach. The Head Coach shall also be responsible for the total program of his/her sport. This includes varsity, junior varsity and freshman teams. Each head coach should establish a program development format for each level of play.

The Head Coach must be familiar with the rules and regulations of the Rhode Island Interscholastic League which is available on the league

website: www.riil.org.

1. General Responsibilities:

\$ Attend the mandatory pre-season coaches meeting. Sport schedules and league rules will be clarified and established. This is an excellent opportunity to contact teams regarding junior varsity game schedules. Failure to attend this meeting will result in a fine from the RIIL that will be your responsibility to pay.

\$ Meet with assistant coaches before the season to discuss league, school, and team policy procedures.

\$ Coaches in consultation with the school staff will be aware of students with special needs and follow appropriate procedures and processes.

\$ Attend the Athletic Director's mandatory pre-season meeting where the following forms will be distributed and each form explained: assumption of risk, annual questionnaire, form for physical, eligibility list, league schedule (if ready), Injury Fund reports, bus schedules, and tournament request form.

\$ Meet with potential athletes two to four weeks prior to the beginning of the season. At this meeting, distribute all necessary athletic forms. Establish a list of athletes by grade. Give potential

athletes the practice dates, the return date of athletic forms, and general team requirements. Coaches who are involved in fall sports should meet with athletes before the close of the school year preceding the fall season. All fall head coaches should contact the appropriate middle school(s) that may feed your particular high school's program and have a day to sign up all interested incoming freshmen.

9

\$ Bus request schedules for all levels of play must be handed in to your school's equipment manager as soon as possible. Please pay particular attention to your departure time and make sure you list the actual location of your game as the destination (many teams play certain sports off campus). Remember, busses are more difficult to book in the fall and spring because many of the games are after school, causing us to use a private contractor. Most winter events occur after 3:30 p.m. which allows us to use our own busses. Extremely important: when the athletic department provides transportation to an athletic event, all athletes are required to ride the bus to and from the contest. Only in rare circumstances can the head coach grant permission for an athlete not to ride the bus. In this particular case, a letter from a parent or guardian in advance of the contest must be in the coach's hand prior to making a decision. This is certainly something that should not be encouraged and must be closely monitored.

\$ Junior varsity and freshmen schedules must be returned to the athletic director as soon as possible. The athletic director must place these schedules on the RIIIL website and secure officials.

\$ Establish team goals and practice schedules.

\$ Determine the system of play at all levels.

\$ Assign responsibilities to assistant coaches including: locker room, field, gym, and weight room supervision. Your athletes should never be left unsupervised at any time.

\$ Arrange for fundraising if so desire. Check with principal for school policy (principal approval required).

\$ Determine weekend practice schedule; notify the Athletic Director so he/she can make the necessary arrangements with the custodial staff.

2. In Season Responsibilities:

\$ Conduct tryouts in such a manner as to provide each athlete an equal opportunity to achieve a position on the team. Be sure you are able to justify your selections by using a scoring system you are comfortable with.

\$ Prior to selecting your team, determine the eligibility of your athletes. You can ask to see their report card, you can check with Guidance, or you can ask the main office for an “Ineligibility List”. Never take the word of the athlete as being completely accurate.

\$ After determining the eligibility of your players and after your team has been chosen, head coaches at Cranston East should submit an Eligibility List to a secretary in the main office at Cranston East, and coaches at Cranston West should submit their Eligibility Lists to the Athletic Director so it can be posted on the RIIL website. Remember, all Eligibility Lists MUST be posted on the RIIL website twenty-four hours prior to your first RIIL contest, including the Injury Fund Game. Failure to do so will result in a fine from the RIIL that will be your responsibility to pay if you did not have your Eligibility List in on time.

\$ Have on hand at all times an “emergency call card” - a list of all your players along with all important contact numbers in the event of an injury of significance.

\$ Comply with mandates set forth by the Student Handbook: e.g. attendance policy governing participation. Have one of your athletes stop by the main office daily for an attendance sheet and other necessary correspondence.

\$ Cooperate with the sports media seeking interviews regarding team personnel, performance, etc. Bear in mind that statements are published and read by people for and against athletic programs; therefore, statements should be carefully weighed. The news media is not the proper channel for a coach's criticism of officials, opposing players, etc.

\$ Create a parent-athletic booster club if so desired.

\$ When an athlete is hurt, the head coach must complete an "Injury Report Form" within twenty-four hours and send it to the Athletic Director. Please make sure all your athletes and their parents are aware of the benefits of the RIIL Injury Fund.

\$ You are responsible for the level of play and conduct of all athletes under your control.

11

\$ You are responsible for the supervision of assistant coaches in practice, games, and locker room areas.

\$ Pick up all necessary first aid equipment from your school's equipment manager.

\$ Promote your sport by prompt and accurate reporting of scores

to local media.

\$ Perform other duties as related to the assignment and as designated by the Athletic Director.

3. Post Season Responsibilities:

\$ In order for your stipend to be released, all uniforms, equipment, medical supplies, and keys must be handed in to your school's equipment manager. Once this is done, the equipment manager will contact the Athletic Director to release your stipend.

\$ Submit your request for post-season athletic awards for your team to the Athletic Director at least two weeks prior to your end-of-the-season banquet.

\$ Please read your end-of-the-season evaluation carefully, answer all questions, evaluate all your assistants (if applicable), have your assistant sign his evaluation, and return the full evaluation to the Athletic Director as soon as possible. If you or your assistant has any questions pertaining to the evaluation, contact the Athletic Director to set up a meeting to address all questions and concerns.

\$ You are encouraged to attend clinics, symposiums, or seminars that will ultimately make you a better coach in your sport. Any costs must be paid by you or non-school sources.

Duties of the Assistant Coach

The assistant coach is directly responsible to the head coach of sport and to the program planned for that level of play.

1. General responsibilities:

\$ Work with head coach in planning the program.

\$ Understand league, school, team, student responsibilities to the sport and carry out these policies.

\$ Attend RILL meetings when asked by the head coach.

\$ Attend staff meetings when called by the head coach.

\$ Assist the head coach in any duties assigned by him/her pertaining to the overall athletic program.

\$ In relation to junior varsity and freshman teams, assistant coaches will have the same responsibilities as listed for the head coach where

applicable.

\$ In the absence of the head coach, the assistant coach shall assume all the responsibilities of the head coach.

Duties of Equipment Manager

1. At the beginning of each season, with the head coach in attendance, the Equipment Manager will pass out all necessary uniforms, equipment, medical supplies and keys (if necessary). An accurate account of what was handed out and to whom it was handed

out to must be kept.

2. Prior to each season, a bus request for each sport (in triplicate form) must be handed in to the Office of the Director of Transportation at least two weeks prior to the first event.

3. During the season, the Equipment Manager must be readily available to any coach who may need additional uniforms, equipment or medical supplies.

4. At the end of each season, the head coach will return all uniforms, equipment, medical supplies and keys (if any were handed out) to the appropriate Equipment Manager. Once the Equipment Manager is satisfied that the head coach has fulfilled his/her obligations as stated in the Athletic Department Handbook the Equipment Manager will then compile a list for the Athletic Director of any outstanding issues.

5. Once the football season ends, all uniforms and equipment must be separated so that it can be picked up in a timely fashion to be cleaned and reconditioned.

6. The Equipment Manager at all times must maintain an accurate inventory of all uniforms, equipment and medical supplies to aid the Athletic Director in the budget process.

Volunteer Coaches

\$ Anyone who would like to be considered for a volunteer coaching position must submit an application with Human Resources.

\$ All volunteer coaching candidates must be certified coaches. A copy of their Rhode Island Coaching Certificate must be on file in the Human Resources Office.

\$ All successful volunteer coaching candidates will be appointed by the Superintendent, subject to the “Volunteer Policy” and subject to the consent of the School Committee. A volunteer coach must always be accompanied by a paid coach.

Reappointment of Coaches

All coaches, assistant coaches, and volunteer coaches must be

appointed by the Superintendent subject to the consent of the School Committee each year in order for them to continue in their roll as coach for the next season.

Cell Phone Usage and Recording Devices

All coaches, assistant coaches, faculty managers and volunteer coaches must comply with the school committee's cell phone usage and recording device policy (#2526).

Code of Ethics: Sportsmanship

Sportsmanship is defined as that quality of responsible behavior

characterized by the spirit of generosity and a genuine concern for the opponent.

The Cranston Athletic Department places the responsibility of sportsmanship on all those involved in the athletic program. The head coach will bear the greatest burden of this responsibility for sportsmanship. His/her influence on the attitudes and behavior of players, student body, and community establishes the mechanism for making sportsmanship a reality. The role the coach plays in developing the qualities of sportsmanship are demonstrated in the daily principles of coaching strategy and skill development. Nothing says more for a coach's program than the attitude and sportsmanship values his/her team portrays to those around them.

The following recommendations are included:

\$ Be a role model for those who follow you.

\$ Teach honest effort.

\$ Instruct the team in their responsibilities.

\$ Discipline athletes when appropriate and revoke their participation if necessary.

\$ Treat opponents and officials as guests.

\$ Shake hands with opponents and officials after the contest.

16

Athletic Awards

An athletic award is a symbol of athletic accomplishment and good sportsmanship. The value of the award lies in the implication rather than the monetary value. Each head coach should establish a general policy for athletic awards and follow this procedure to develop the athlete's intrinsic sense of accomplishment.

1. General Recommendations and Policies:

\$ Standards of achievement should be required.

\$ Each coach will establish their own standards and make the athletes aware of these requirements.

\$ Accurate records should be kept by the coach regarding participation, sportsmanship, team records, and accomplishments of the athlete.

\$ Injuries should not exclude the student from receiving an award.

\$ As a coach, use your good judgment in giving awards - make sure the award means something to your team and to the total athletic program.

\$ Regardless of how many sports an athlete participates in, he/she will only receive one letter. After earning their letter, next they will earn their sport pin, and after the sport pin, the athlete can earn a bar. There are special bars available for the designation of capacity.

\$ Varsity squad members who do not meet award qualifications will be awarded certificates of participation.

\$ Junior varsity and freshmen members will receive certificates.

17

First Aid Concerns

\$ The well being of the athlete is the first priority of the head coach.

\$ Do not do anymore than you have been trained to do in your First

Aid/CPR/AED classes.

\$ Follow general first aid procedures.

\$ Call rescue when necessary or summon EMT, athletic trainer, or doctor when available. Make sure a coach is with the injured athlete.

\$ Call a parent. Do not allow the student to walk home unsupervised.

\$ Notify the Athletic Director immediately regarding a serious injury.

\$ Contact injured athlete and parents after the injury.

\$ File an Injury Report within twenty-four hours of the injury and send the report to the athletic director.
